

Prophecy for Stephen & Rosalyn

▶ For Stephen - Wayne Drain

"You're in the right place at the right time.

I see plants coming up from seeds that were planted.

I see a harvest overtaking the ploughman.

You have planted and watered. You have tended and cared.

And know that a season of harvest will follow in mid to late 2010 and on into 2011.

I see a family connection bringing blessing to you.

And I see a re-connection where there was disconnection.

It's not something you can do. But you'll need to recognise that God is re-connecting, and be at peace about it.

You're a good man.

Don't be double-minded.

Don't be anxious in this season.

Trust the Lord to add what you need.

God is faithful. Amen."

▶ For Stephen & Rosalyn - Brian Houston

"Your marriage is a beautiful witness.

And you seek to protect him but your love is enough for him.

And your marriage speaks to this community - it's a beautiful thing."

▶ Blessing Prayer - Wayne Drain

"Father, in the name of Jesus, I pray for these that you gave us words over tonight.

Father, I pray that you will let these words do what you intended, they will strengthen, they'll encourage, they would edify, they would comfort, they would confirm those things that you are doing.

They would help us fight the good fight.

Jesus, I just impart in your name, your word.

Let it just flow into their hearts.

Let them be able to hold on to it and let you do what you want to do.

In Jesus' name.

Amen."
