

BRIDGNORTH YOUTH & SCHOOLS PROJECT

By John Prockter

Manager of Bridgnorth Youth and Schools
Project/Manager of the Bridge Youth Centre

Something STIRing

In the second half of the last school term we held two full schools' weeks, impacting 850 individual students in both schools. We had 30 young people at a joint clubs Bonfire Night, took a young person away on an evangelistic camp for girls, and had a wonderful time with all of our young people at The Bridge in the run up to Christmas. We also joined with 30 local Christians in a 24hr long prayer day and ended the term with a clear vision for what the first term of 2016 was going to look like. In short the vision is this: 'Introduce more young people to Jesus.'

On February 3rd & 4th we were really pleased to be welcome rapper Chip Kendal. Chip came to share his testimony and perform in Bridgnorth - taking RE lessons, doing lunchtime gigs and talking to young people about how Jesus has changed his life.

Lucy Butler and have recently launched a brand new BYSP vision called STIR. STIR is an exciting new resource, which aims to help young people who have no Christian background to understand that they're Spiritual. This might sound a little odd, but if our aim is to help young people to understand God's love for them, they need to first understand that they themselves have a spirit and that there is a spiritual dynamic to every area of their lives. STIR is happening weekly and everyone who chooses to take part will be invited to attend a monthly STIR gathering with that massively important social ingredient... food.
