	1 st Praise the Lord that we have reached another month and God has been protecting us and supplying our needs. PTL for his protection on the roads, on our compounds and in Bassa. We are very thankful.	2 nd As a result of Christie running away Pastor Gangas , who brought her to the ministry, is still in jail, charged with abduction. Pray for a quick release for him; it's been three weeks now.	3 rd Pray for the Pastor's wife . She is struggling to pray, Let's pray for her, and with her, as she awaits the outcome. Pray she may have a child of her own one day soon.	4 th Pray for the lawyers who are working to build a case, that they will be successful in gaining his release. Pray for the hidden agenda of Satan not to be successful over this man's life and ministry.	5 th Pray for our six girls we have had to move to a place of safety as they are all from a Muslim family . They are really missing their sisters in Bassa. Pray for contentment and a sense of unity among them.	6 th Pray for Aunty Elisabeth , our Bassa centre leader, who has been very sick through all of this trial. She nearly died! Pray she will be completely healed and restored back to us in good health soon.
7 th Our girls will begin school again this week, Unofficially. There will be none from outside, as we aren't allowed. Pray for the teachers and girls to not be affected by covid 19 as a result of them teaching	8 th Pray for Fransisca , who is living with the girls acting as centre leader in Aunty Eli's absence. Pray for stamina for her and for wisdom as she handles the many challenges.	9 th Pray for Christie as she is back living with her Muslim family. Pray she will not forget all she has learnt; all the Bible verses she has memorized while she has been living with us. Pray protection over her and for her future.	10 th Pray for our new armed security guards as they protect the site in Bassa. Pray they will be vigilant and that they will be responsible.	11 th Pray that God will provide the money for the security lights and siren to further protect us when the security guards are not there. One border of our land is a river so we can't build a wall there and are vulnerable.	12 th Pray for the faith of our girls to be strengthened as a result of these spiritual and physical attacks. Pray they will learn a lot and grow stronger as a result. Pray against fear, and especially for good sleep at night	13 th Pray for Christians in Southern Kaduna who are being persecuted by Fulani herdsmen, eager to get their land. Many are in refugee camps as a result. Pray for comfort and provision for them

Pray for her safety and health and for patience with all the checks required.	17 th Pray for my health which has been a bit up and down , I have had some dizziness and sickness with my Meniere's Disease which is frustrating. There is so much to do, and I want to be strong enough to do it.	18 th Pray for money to come in to cover the teacher's salaries until we can get established as a school in the area. Pray we will find the right people with the right heart and vision to help us in the ministry and to be good role models to our children.	23 rd Pray for our lifeskills and discipleship classes which are going on in Bassa. The topics are difficult for some to hear, but we would rather they hear the truth from us. Pray the boys will co-operate well with them and that they may enjoy their time there.	25 th Pray for my trauma healing group as we meet today. They are all making good progress but still have a way to go as they try and understand themselves and their bodies after being abused.	26 th Pray for good health for all our missionaries as Plateau where we live has become the epicentre of the Covid19 virus here in Nigeria. People are not taking it seriously as they have other challenges.	27 th Pray for all the Nigerians who are going hungry as the price of food has massively escalated in the markets due to Covid19. Pray that God will supply their needs
28 th Pray for me as I make a decision soon whether to travel or not. Should I continue through till next April when I am due home assignment?? I need wisdom.	29 th Pray for our three big girls, Ruth, Alheri and Elizabeth , as they mature and make decisions on their futures. They are great role models in the ministry to their younger sisters.	30 th Pray for our continued security and protection from the unseen forces and powers aimed against us in Bassa. There has been too much these last few months and we are tired ☺		I thank my God every time I remember you, always with Joy , because of your partnership with the gospel from the first day until now. Keep praying !!
